“Handwriting is a spiritual design, even though it appears by means of a material instrument.”

Dear Parents(s)

Heartiest Greetings!

Good handwriting contributes to reading fluency because it activates visual perception of letters. Keeping this in mind, the school is going to conduct **English Handwriting Competition** for **Grade – I** on **Friday, March 15, 2024**. This competition will be conducted with a view that cursive handwriting develops motor skills, improves memory, concentration, accountability, eye-hand coordination, etc.

Students will be judged on the given criteria:-

- ✓ Formation of letters
- ✓ Spacing between the letters
- ✓ Size of the letters
- ✓ Neatness and Erasure marks

Kindly prepare and encourage your ward for the wholeheartedly participation in this competition.

Thanks and Regards

Headmistress
(Ms. Gunjan Khanna)
