Dear Parents,

Warm greetings!

To help our young learners develop confidence, public speaking skills, and creative expression, we are excited to announce a **Speech Competition** for the students of **Grades II and III** on **May 15, 2026 (Friday)**.

This competition is a wonderful platform for students to find their voice and share their thoughts on stage in a supportive and encouraging environment.

Students may choose one of the following topics based on their grade level:

Grade II: (a) My Favourite Book Character (b) If I Had a Magic Wand... (c) Helpful Habits
Grade III: (a) The Importance of Kindness (b) My Dream for a Greener Earth (c) A Hero I Admire

Rules and Guidelines are as follows:

- a) Language: The speech must be delivered in English.
- b) Props: Small props are allowed but should not overshadow the speech.
- c) Judging Criteria: Participants will be evaluated on:
 - Confidence & Posture
 - Clarity of Speech (Pronunciation and Volume)
 - Content & Structure
 - Expression & Impact

We look forward to hearing the inspiring words of our budding orators! Interested students must register their names with their respective Class Teachers by May 10, 2026.

Let's encourage our little stars to find their voice!
