- Environmental Conservation
- The Power of Education
- Historical Leaders & Visionaries
- Youth & Innovation

**Key Guidelines**

- Time Limit: 2 to 3 minutes.
- Judging Criteria: Emphasis will be placed on voice modulation, diction, stage presence, and the ability to convey the original speaker's intent.

Interested participants should submit the name of their chosen speech to their Class Teacher by May 11, 2026.

We look forward to witnessing a display of powerful eloquence!

Regards,
